

## **I Would Like To Win All Of United States Of America To The Lord**

The thought had to come first from the Lord,  
Then the instant acceptance from me,  
Then the permission from Him,  
Then the way,  
Then the hope,  
Then the God-directed prayers,  
Then the work.  
Always the Grace.  
Always the Love.  
Always the Redemption.  
Always the Blood.  
Always the Resurrection.  
Always the Kingdom of God.  
Always the Judgment.

I leave you praying, and I love you. Estella.
